

Good Day for Marrying You

Dave Barnes

Baby, the sun is shinin'
Dogwoods are comin' in bloom
Put on your white dress
Yeah 'cause, oh baby, it's a good day for marrying you
I'll call my mama and daddy
Baby, you call yours too
Put on your white dress
Yeah 'cause, oh baby, it's a good day for marrying you

I know you by now, which means I know what you're thinking 'bout
Your friends (they keep askin')
About us (with everyday passin')
It's time this fairy tale came true

Baby, the sun is shining
Dogwoods are comin' in bloom
Put on your white dress
Yeah 'cause, oh baby, it's a good day for marrying you
I'll call my mama and daddy
Baby, you call yours too
Put on your white dress
Yeah 'cause, oh baby, it's a good day for marrying you

We got all we need
I'll find a ring if you'll find a shaded tree
My friends (they're all buzzin')
Word's out (everyone's comin')
Better tell 'em to bring a picture too

Baby, the sun is shining
Dogwoods are comin' in bloom
Put on your white dress
Yeah 'cause, oh baby, it's a good day for marrying you
I'll call my mama and daddy
Baby, you call yours too
Put on your white dress
Yeah 'cause, oh baby, it's a good day for marrying you

It's good day, it's about to get better
Every dream is about to come true
No reason to wait, we got the weather
We just need our "do's"

Baby, the sun is shining
Dogwoods are comin' in bloom
Put on your white dress
Yeah 'cause, oh baby, it's a good day for marrying you
I'll call my mama and daddy
Baby, you call yours too
Put on your white dress
Yeah 'cause, oh baby, it's a good day for marrying you
