

# Symphony

Dave Barnes

Maybe it's the way that you say my name  
Maybe it's the silence when you don't  
Maybe it's the reason when the right song plays  
All I really want is to hold you close

Like a symphony  
A melody moving me every time you're pulling at my heart strings  
Like a beautiful musical making me feel like a masterpiece  
My heart sings like a symphony

Maybe it's the way that you say goodnight  
Or the sound of you up on a Sunday morning  
Maybe it's the memory of all those miles  
Chasing down something we both wanted

Like a symphony  
A melody moving me every time you're pulling at my heart strings  
Like a beautiful musical making me feel like a masterpiece  
My heart sings like a symphony

It goes on and on and on and on  
Every kiss is the beginning to another song  
On and on and on and on  
Every kiss is the beginning to another song  
On and on and on and on  
Every kiss is the beginning to another song  
On and on and on and on

Like a symphony  
Like a melody moving me every time you're pulling at my heart strings  
Like a beautiful musical making me feel like a masterpiece  
My heart sings like a symphony

On and on and on and on  
Every kiss is the beginning to another song...
