

Yearslong

Dave Barnes

(Ooh-ooh-ooh, ooh-ooh-ooh)

That first look in your eyes, I've been in love with you ever since

(Ooh-ooh-ooh, ooh-ooh-ooh)

A promise is a promise and I promise you I'll never quit

(Ooh-ooh-ooh, ooh-ooh-ooh)

I hope you know it

You may need to hear it still

If you wonder how long I'll love you

Years long, years long

If you wonder how long I'll love you

Years long, years long

(Ooh-ooh-ooh, ooh-ooh-ooh)

Every single scar is just the proof that we made it through

(Ooh-ooh-ooh, ooh-ooh-ooh)

Ain't nobody else I'd rather barely make it through with than you

(Ooh-ooh-ooh, ooh-ooh-ooh)

I hope you know it

If you need to hear it still

If you wonder how long I'll love you

Years long, years long

If you wonder how long I'll love you

Years long, years long

I'll be the lighthouse, baby

To find your way back home

No, you will never be alone

If you wonder how long I'll love you

Years long, years long

If you wonder how long I'll love you

Years long, years long

(Ooh-ooh-ooh)

(Ooh-ooh-ooh)

(Ooh-ooh-ooh)

(Ooh-ooh-ooh)
