

3 a.M.

Dave Days

You don't call to make plans
Right now and where, never when
You're so unpredictable
What, she was predictable, in need of a friend, yeah

I got your text late at the studio
Rope on got me in the zone
When I get off, I cash the check
She's ready for bed all alone

I'mma love you like he never could
Treat a bad girl so good
Calling me 3 in the morning
I just can't ignore it, tonight I'mma love you (I'm gonna love you)

I'mma love you like a man should
You take the day to make you feel so good
Keep me up until the morning, she's just getting started
Girl, I'm gonna love you like he never could

Underneath that mat, you left a key
Tonight we won't be getting no sleep, yeah
Anywhere you want it, babe
You don't gotta act no way around me (Around me)

Your lips are poison, I confess
Forgive me lord, I have sinned, ooh
Chased you into the bedroom for
Sun comes up and she wants more
Love me again, yeah

I'mma love you like he never could
Treat a bad girl so good
Calling me 3 in the morning
I just can't ignore it, tonight I'mma love you (I'm gonna love you)

I'mma love you like a man should
You take the day to make you feel so good
Keep me up until the morning, she's just getting started
Girl, I'm gonna love you like he never could

(Man should, man should)
It takes two to make a heart beat
Anywhere you want it, babe
You don't gotta act no way around me

I'mma love you like he never could
Treat a bad girl so good
Calling me 3 in the morning
I just can't ignore it, tonight I'mma love you (I'm gonna love you)

I'mma love you like a man should
You take the day to make you feel so good
Keep me up until the morning, she's just getting started
Girl, I'm gonna love you like he never could
