

# Fred Drives Me Crazy

Dave Days

Fred  
He's a 6 year old brat  
He's got a voice to match  
Not anyone can do that

Fred  
Da-da-da-don't you love the internet  
Just as much as your fans  
Love the kindergarten

Fred you're driving me crazy just like a million other kids  
Brainwashed and unhappy  
But that's okay because you're so cool

Friday night  
I was chillin' at the mall  
At my favorite gothic shop  
That's when my heart stopped

Fred  
Oh mother hackin' Fred  
Am I going insane or am I the only one who's sane?

Fred you're driving me crazy  
Just like a ba-jillion other kids  
Brainwashed and unhappy  
Is this supposed to be funny? Do you find this funny? Am I supposed to find this funny?  
This isn't funny

Fred  
He's a 6 year old brat  
And he won't stop at that  
Until he takes over the world
