

Hurts so Good to Be Alive

Dave Days

Don't want to live like everybody else
Do things the same as everybody else no I won't take it
Make mistakes find a friend in failure
So when I'm old and gray regret can't get the best of me

We're lucky we were born to die
It hurts so good to be alive

Flights to Hawaii parties in Shibuya
Let's make some music make some money and plan for the future
But I can't wake up what is anxiety
Can't commit battling what I've become and who I used to be

We're lucky we were born to die
It hurts so good to be alive

It hurts so good to be alive

To be alive

It hurts so good to be alive

I don't want to go no more
I don't want to go no more
Every time I make it I feel the same as I did before
I don't want to go no more
I don't want to go no more
Every time I make it I feel the same as I did before

We're lucky we were born to die
We're lucky we were born to die
We're lucky we were born to die
It hurts so good to be alive

It hurts so good to be alive

It hurts so good to be alive

To be alive

It hurts so good to be alive
