

Sinking in Love

Dave Days

So you stayed the night
woke up in the morning
grabbed your things
and went on with your life
your life
I haven't been the same
ever since you left
I've been holding that feeling you gave
to me, to me

I've fallen
I slipped
gave it a try now
I can't quit
you know it's too late to run now
because

The marks you left upon my neck
are sinking into me
the clothes you threw on my guitars
are hanging perfectly
and when you go home
and I'm all alone
your scent awaits in my bed
the marks you left are permanent
I'm sinking in love
Sinking in love

I'm tripping out the door
indecisive mind can't commit
but I want more,
I want more
yeah, yeah
When the nights grow cold
and I need somebody
you're right there to hold
there's no one else I want right now

I've fallen
I slipped
gave it a try now
I can't quit
you know it's too late to run
cause the damage's been done

The marks you left upon my neck
are sinking into me
the clothes you threw on my guitars
are hanging perfectly
and when you go home
and I'm all alone
your scent awaits in my bed
the marks you left are permanent
I'm sinking in love
Sinking in love
Sinking in love
Whoa-oh-oh-oh

Whoa-oh-oh-oh-oh

The marks you left upon my neck
are sinking into me
the clothes you threw on my guitars
are hanging perfectly
The marks you left upon my neck
are sinking into me
the clothes you threw on my guitars
are hanging perfectly
and when you go home
and I'm all alone
your scent awaits in my bed
the marks you left are permanent
I'm sinking in love
I'm sinking in love
Sinking in love
I'm sinking in love
Sinking in love
