

Want You Back

Dave Days

No!

Hey, boy you've never had much game
Thought I needed to upgrade
So I went and walked way away
Now, i see you've been hanging out
With that other girl in town
Looking like a pair of clowns clowns clowns

Remember all the things that you and I did first?
And now you're doing them with her
Remember all the things that you and I did first?
You got me, got me like this
And now you're taking her to every restaurant
And everywhere we went, come on!
And now you're taking her to every restaurant
You got me, got me like this

Boy, you can say anything you wanna
I don't give a shh, no one else can have ya
I want you back
I want you back
Want you, want you back
I broke it off thinking you'd be cryin'
Now I feel like shh looking at you flyin'
I want you back
I want you back
Want you, want you back

Please, this ain't even jealousy
He ain't got a thing on me
With his hair blowing in the breeze, breeze, breeze
You clearly didn't think this through
If what I've been told is true
You'll be crawling back like boo hoo hoo

I remember all the things that we did
And now you're doing them with him
I remember all the things that we did
You got me, got me like this
And now he's taking you to every restaurant
Everywhere we wen't, come on
And now he's taking you to every restaurant
You got me, got me like this

Girl you can say anything you wanna
I don't give a shh, no one else can have ya
I want you back
I want you back
I want you, want you back
I broke it off thinking you'd be cryin'
Now I feel like shh looking at you flyin'
I want you back
I want you back
I want you, want you back

Ooh, I thought you'd still be mine
When I kissed you goodbye uh oh uh oh

Ohhh, and you might be with her
But I still had you first uh oh uh oh

I remember everything that we did
And now you're doing them with him

Remember all the things that you and I did first?
And now you're doing them with her

I remember everything that we did
And now you're doing them with him

Remember all the things that you and I did first?
You got me, got me like this

Girl you can say anything you wanna
I don't give a shh, no one else can have ya
I want you back
I want you back
I want you, want you back
I broke it off thinking you'd be cryin'
Now I feel like shh looking at you flyin'
I want you back
I want you back
I want you, want you back

Ooh
I want you back
I want you back
I want you, want you back
I want you back

I want you back
I want you back
I want you, want you back

Is this sound like a helicopter?
Brbrbrbrbrbrbrbrbrb!
