

## No Time

Dave Dee, Dozy, Beaky, Mick & Tich

No time to lose, soon I must go  
Won't you believe, I love you so

Come on, don't keep me waiting or hesitating,  
you know there's only you for me.  
Come on, or we'll be missing, a chance for  
kissing, oh baby, baby, can't you see.  
Bah-ow Bah-ow Bah-ow

Here stands the boy who loves you, the stars above you,  
have never shone as bright before.  
Shining to say I need you, I long to lead you,  
if you would only want me only more.  
Bah-ow Bah ow

No time to lose, soon I must go.  
Won't you believe, I love you so.  
Bah ow Bah ow

Someday you'll be regretting  
that you've been letting your golden chances pass you  
by  
Someday you'll want to hold me you; You wish you'd told  
me that I was just your kind of guy

Ooh ooh ooh ooh  
Ooh ooh ooh ooh

No time to loose soon I must go  
Won't you believe I love you so  
Bah ow Bah ow

One word and I'll be staying I'd soon be saying that  
all my wand'ring days were thro'  
Tell me you want me near you I long to hear you say  
that you really love me too  
Bah ow Bah ow Bah ow.

Here stands the boy who loves you, The stars above you  
have never shone as bright before.  
Shining to say I need you I long to lead you if you  
would only want me more  
Bah ow bah ow

No time to loose soon I must go  
Won't you believe I love you so  
Bah ow Bah ow Bah ow Bah ow Bah ow
