

# Shame

Dave Dee, Dozy, Beaky, Mick & Tich

Oh, my love for you is fadin' away  
Shame!  
And you know the reason I cannot stay  
Shame!  
You've had your chance  
Shame!  
End of a romance  
Shame!

You think you're the mountain and I'm the dirt  
Shame!  
But mountains can crumble then you'll get hurt  
Shame!  
I'll bring you down  
Shame!  
And smash your crown  
Shame!

You look at me now with tears in your eyes  
Shame!  
It's so obvious they' re more of your lies  
Shame!  
You had your chance  
Shame!  
End of a romance  
Shame!  
A-5: Hands Off (Howard/Blaikley)  
Lyrics:

Keep your big hands off,  
While I'm far away  
Cause that girl is mine,  
That's how it's gonna stay

Don't show her the town,  
Don't you mess her around,  
Cause I'm not talking soft,  
When I say Hands off!  
Hands off! Hands off! Yeah!

You've got your eye on her,  
Now you can't fool me  
You know I'm stuck on her,  
So she just ain't free

Don't you walk her home,  
Or get her on her own,  
Cause I'm not talking soft,  
When I say Hands off!  
Hands off! Hands off! Yeah!

Keep your big hands off,  
While I'm far away  
Cause that girl is mine,  
That's how it's gonna stay

Don't show her the town,

Don't you mess her around,  
Cause I'm not talking soft,  
When I say Hands off!  
Hands off! Hands off! Yeah!

Keep your big hands off her
