

# Be Mine Tonight

Dave Dobbyn

Asian cigarettes  
A long talk- A few cans  
If you can  
Be my bare skinned baby  
We're in for a long night- a strong night  
You- Look what you've done to me  
You lit me- You bit me- I'm rapt  
Oh

You- Look what you've done to me  
You lit me- You bit me- I'm rapt  
Be mine- Be mine tonight (be mine tonight)  
Oh come on- Come on  
Another smoke- Another can  
Another conversation- Maybe

I knew you- Not long  
I knew you- You're so strong

Asian cigarettes  
A long talk- A few cans  
If you can  
Be mine- Be mine tonight (be mine tonight)  
All night  
Another smoke- Another can  
Another talk- maybe  
You

I knew you- Not long  
I knew you- You're so strong

Asian cigarettes  
A long talk- A few cans  
If you can  
Be mine- Be mine tonight

I knew you- Not long  
I knew you- You're so strong  
So strong
