Each Night At Nine

Dave Dudley

A thousand miles dear a thousand more across the water across t he shore I'll say a prayer for yours and mine please think of me dear ea ch night at nine I hold your picture close to my heart it takes your place dear while we're apart It helps remind me that you're still mine please think of me de ar each night at nine The bugle's blowing out go the lights uh but it's lonesome thes e army nights Tell all our friends I'm doing fine please think of me dear eac h night at nine Please think of me dear each night at nine
