Farewell To Arms

Dave Dudley

Farewell to arms so warm at night farewell to hands that could touch me just right We had real love way back one time That's all in the past so farewell to arms and eyes and lips th at once were mine Farewell to kisses made of fire farewell to eyes always filled with desire I don't know how or where or when It all went wrong so farewell to arms and eyes and lips that on ce were mine Farewell to arms so warm at night farewell to hands that could touch me just right We had real love way back one time that's all in the past so fa rewell to arms
