## Just Call Me Lonesome

## **Dave Dudley**

Why must I love the heartless one who'll never know the harm sh e's done Though love is blind I should have known just call me lonesome from now on I climb the stairs up to my room but there's no one to meet me in the gloom The silence tells me she is gone just call me lonesome from now on These walls will hide me when I cry and I hope that heaven lets me die What good is life when hope is gone just call me lonesome from now on Just call me lonesome from now on
