

## Singing Away

Dave Dudley

The poundin' of the big bustyres in a hot tarline I gotta play  
another matinee  
This old guitar's gettin' worn but not as worn as me but I just  
keep on singing away  
You should understand that all us picking Nashville cats are ti  
red  
And we're thinkin' bout a love of yesterday  
Well that'll keep us goin' for another show or two and I'll jus  
t keep on singing away  
Played a show last night in Tuscon Arizona the one tonight's ab  
out three days away  
If I ever get back home I bet the kids won't know me  
Here comes Mr Daddy hear they'll say

Spent too many hours with those good ol' friends of mine  
Could be late for that show we're gonna play  
If my head will let me make it I'll make it through the night  
And I'll just keep on singing away

Played a show last night in Tuscon Arizona...

I'd give a hundred dollars for a homecooked meal  
If I make it back I think I'm gonna stay  
That's what my mind keeps thinking but I know that won't change  
And I'll just keep on singing away  
How about that Toronto to Houston to Chicago trip in that order  
I know gets to be some sorta drag but we keep at it  
Imagine that seems like you're goin' to bed at 3:45  
And gettin' up at quarter to four never changes
