Badness

Dave East

You know the badness go (Where it go?)
You know the badness go (Uh)
You know the badness go (Badness)
You know the badness go
Twelve

You know we unlock the place
And we not watch no face

You know, you know, you know
She beggin' me like, "Daddy can you stay another night?" (I'm out)
This paper waitin' for me, ma, I gotta make this flight
If I ever did you wrong, I'ma try to make it right (I try)
Your body got me hungry, tryin' to eat that shit like rice
Buy you anything you want in the store, just name a price (Got it)
Hope I don't ace out, this life is a game of dice
She climbed on top of me said, "I'm about to change your life"
Once I start ain't no stoppin' me, guaranteed we breakin' night (Night)
We linked up in real life, met her on the gram
Said she enjoy bein' single, she ain't want a man
In the spot drunk, she ain't ask me if I want to dance (At all)
Pistol on my side if it get live, hope it don't want a chance
Laid up by the water, I just want a tan (Tan, uh)
I've been on the low like I'm a wanted Man (I'm low, uh)
All these sticks and drums, I could join a band
Don't get tricked most of these bitches look better on the gram

Them gal no want no man
If ya no badmon no, no (Badmon)
Them gal don't want no rag man, no, no
Them gal don't want no sad man, no, no
(You better know nigga)
You have to be a badmon, yeah, yeah

I got up out the projects and I've been around the globe (Globe)
Other cities chillin' with women I didn't know (Wassup)
Smokin', reminiscin', like what if I didn't blow
Thinkin' about past chicks and the love I didn't show (My bad)
Sorry love, I planted a seed but it didn't grow (Nah)
You was never really my speed but I didn't know (No)
It's foreign if I'm in it, just chillin' my fitted low (Skrrt)
My man got life, takin' that trip, I'm so glad I didn't go
I got her body movin', her body shakin', told her I probably die rulin' (I'm rulin')
Mafia soul, I'm smokin' watchin' the Gotti movie
Shy when I met her, she told me boy I am not a groupie
Diamonds on me drippin' like I just got up out a Jacuzzi
Four deep, we was dead broke, used to ride in a hooptie (My niggas)
Just know I'm directin' it so nobody stop in this movie (Nobody)
If you from the bottom and you got it you gotta salute me (Salute)
If not you gotta come shoot me (Boom)
Nigga it's lit, lightin' spliff after spliff, we got it polluted (Light up)
Bunch of youth, they just wanna shoot, we probably recruit 'em (Youth dem)

Until the bag on, a bad mon. I ain't gotta prove it (Bad mon)
They put that pressure on you, now you gotta do it
I'm watchin' for the vultures, got her all up on the wall just like a poster

(Come here)
Her body start to melt as I get closer (Ooh)
Vlone all up in my closet, I'm a loner
I f*ck her till it's hard to wake her up, she in a coma
And then Uber back to her owner

Them gal no want no man
If ya no badmon no, no (Badmon)
Them gal don't want no rag man, no, no
Them gal don't want no sad man, no, no
You have to be a badmon, yeah, yeah

This me women eh see know ya wrong
Steppin' on ya face with the Timberland
Steppin' on ya face with the Timberland
If you know say man a simple man
We around the place
We not watch no face
We around the place
We not watch no face

Never you come into my way
You know badmon don't play (Don't play)
Ever you come into my way (My way)
You know badmon don't play
(Don't play, don't play)
Don't give your life away

Never you come into my way
You know badmon don't play (Uh play)
You know badmon don't stray
(You know badmon dot play)
You know we unlock the town
(You know badmon dot play)

We hold it down
So don't you be no clown

You know we unlock the town
We hold it down (Hold it down)
So don't you be no clown (Clown niggas)
(Don't be no clown nigga)

We unlock the place
We no watch no face
So don't past your place
It will only bring you disgrace

We hold it down
Always around
We shut it down

You know the badness go
You know the badness go
You know the badness go
You know the badness go
My kind of badness
My kind of badness
You know the badness go
You know the badness go (Uh)

My kind of badness, Glock with the cartridge
I gotta get this paper, bein' broke is not an option

We movin', me and Junior like Malone and Stockton
You can't believe a word these bitches say, they like to gossip
I had trap scams on Batman, welcome to Gotham
Head shot, change your hair color, Dennis Rodman
I never been scammed but we was slidin'
These niggas like to take pictures like Johnny, bad mon on my timin'

You know the badness go
You know the badness go
You know the badness go
You know the badness go
My kind of badness
My kind of badness
My kind of badness
My kind of badness
Twelve
