Dave East

It's time to get paid (Time to get paid)  
I want the money (I want the money)  
I gotta get guap

I gotta get guap (I gotta get guap) I gotta get cake (I gotta get cake)  
I gotta get paper, gotta get money  
Time to get paid (It's time to get paid)  
I gotta get guap (I gotta get guap) I gotta get cake (I gotta get cake)  
I gotta get money, gotta get paper  
Time to get paid (It's time to get paid)

I'm fresh off the block, this money keep calling  
I be up 'til the morning, this shit never stop  
I hit me a lick, went straight to the Bando  
It's lit like a candle, let you and your man know  
I got it for cheap, come cop what you want  
The coppers be on us, I don't know what they want  
We just tryna eat, to get out the streets  
They calling me back, I'm just tryna leave  
I come from the bottom, putting that work in the bottle  
I f\*cked me a model, she just asked me for a follow  
I hop out a truck, it's either the Range or a Tahoe  
I do not give a f\*ck, she love me enough  
She gon' swallow, she gon' swallow

I gotta get guap (I gotta get guap) I gotta get cake (I gotta get cake)  
I gotta get paper, gotta get money  
Time to get paid (It's time to get paid)  
I gotta get guap (I gotta get guap) I gotta get cake (I gotta get cake)  
I gotta get money, gotta get paper  
Time to get paid (It's time to get paid)  
I gotta get guap (I gotta get guap) I gotta get cake (I gotta get cake)  
I gotta get paper, gotta get money

I gotta get guap (I gotta get guap) I gotta get cake (I gotta get cake)  
I gotta get money, gotta get paper  
Time to get paid (Time to get paid)

I talk what I live, I handle my biz'  
I come from the projects, get shot by a kid  
We rolling around with pistols and ganja  
When I f\*ck up some paper, I just listen to 'Commas'  
I can cook it front of you, this shit Benihana  
Sold a nick to your momma, got a clip for the drama  
I pull up and park it, I tinted the whip  
Go get me some Backwoods, then I take a trip  
I'm living the life, these niggas would not understand  
Call me what you want, can't call me broke, started out moving grams  
I wake up and hustle, I got no time for fronting  
Ain't taking no handouts, I don't owe you niggas nothing, nothing

I gotta get guap (I gotta get guap) I gotta get cake (I gotta get cake)  
I gotta get paper, gotta get money  
Time to get paid (It's time to get paid)  
I gotta get guap (I gotta get guap) I gotta get cake (I gotta get cake)  
I gotta get money, gotta get paper

Time to get paid (It's time to get paid)  
I gotta get guap (I gotta get guap) I gotta get cake (I gotta get cake)  
I gotta get paper, gotta get money  
Time to get paid (It's time to get paid)
