

Baby Let's Play House

Dave Edmunds

Oh, baby, baby, baby
I wanna play house with you

Well, you might go to college, you might go to school
You may have a pink Cadillac but don't ya be nobody's fool

Now baby, come back, baby, come
Come back, baby, come
Come back, baby, I wanna play house with you

Listen to me, baby, there's one thing you should know
Come on back to me, little girl

Now baby, come back, baby, come
Come back, baby, come
Come back, baby, I wanna play house with you

Well, listen to me, baby
What I'm talkin' about

Come on back to me, little girl

Come back, baby, come
Come back, baby, come
Yeah, come back, baby
I wanna play house with you

Now baby, come back, baby, come
Come back, baby, come
Come back, baby, I wanna play house with you

Come back, baby babe
Come back, baby babe
Come back, baby babe
Come back, baby babe
Come back, baby, I wanna play house with you

Come back, baby babe
Come back, baby babe
Come back, baby babe
Come back, baby babe
Come back, baby, I wanna play house with you
