

Chutes and Ladders

Dave Edmunds

Up the ladder
Down the chute
What a game
What a hoot

You're in the game
You've got no choice
You can't complain
You've got no voice

Take a turn
Roll the dice
Sometimes nasty
Sometimes nice

Now it's a nightmare

Now a dream
Now it's bitter
Now it's sweet

Win or lose
You're in to stay
Prayin' for sixes
Until your dying day

Up the ladder
Down the chute
What a game
What a hoot
