Closer To The Flame

Dave Edmunds

```
Closer to the flame
With every kiss I came a little closer
Closer to the flame

Girl I feel it burning
Still I keep returning
You brought me in
Out of the darkness

Closer to the flame
With every kiss I came a little closer
Closer to the flame
Closer to the flame

In the dark of the night
When you call my name
In the dark of the night
I can feel it grow as I'm getting closer
When I
