Once there was a girl, oh she was so sweet
She said to me, where can it be? where's your Cadillac car?
A Cadillac car (a Cadillac car)
Where can I get me a Cadillac car?
I don't have it now but I can get it (get it)
I don't have it now but I can get it (get it)
I don't have it now but I can get it (get it)
I'll do the best I can
Well, she said, get it, get it, get it, get it, get it

Once there was a girl, oh oh what a girl
She said to me where can it be? where's your diamond ring?
A diamond ring (a diamond ring)
Where can I get me a diamond ring?
I don't have it now but I can get it (get it)
I don't have it now but I can get it (get it)
I don't have it now but I can get it (get it)
Well, I'll do the best I can
Well, say, get it, get it, get it, get it, get it

Well-oh, well-oh wop, whip-whip-whip...
