

So Unkind

Dave Edmunds

I got rumblin'
I got rumblin' on my mind
You know I love you baby
But you treat me so unkind

When I first met you, baby
Everything was alright
Yeah, when I first met you, baby
Everything was really alright
I've gone away and leave you
Stay away all night
Yeah

I give you all my money
Just to keep you looking fine
Oh I give you all my money, baby
Just to keep you looking fine
Ah you know I love you, baby
That's why you treat me so unkind
Yeah
