Warmed over Kisses (Left over Love)

Dave Edmunds

I see I gotta be headed for pain
I see a broken heart wearin' my name
You're handin' me sure as stars up above
Warmed over kisses, left over love

You got another love you're runnin' to
You been cheatin' in some rendezvous
You're handin' me sure as stars up above
Warmed over kisses, left over love

You said that I'm the only one
Oh, how I want it to be
But when I kissed your pretty lips
You've got nothing left for me

You gotta wanna be breakin' my heart
I know we gotta be driftin' apart
You're handin' me sure as stars up above
Warmed over kiss, left over love

You're handin' me sure as stars up above
Warmed over kisses, left over love
