

# Plagiarist

Dave Hause

Meet me later we'll be heading southbound  
Maybe we could go for a ride  
We could drive and get high  
On the oceanside

I've been trying to figure out how I can pay for  
The shiny things that sparkle your eye  
Like that place on the drive on the oceanside

So hold tight to me

I'll be your plagiarist  
I'm taking it and calling it mine  
I'll be your plagiarist  
Make a dollar off a stolen dime  
I'll be your plagiarist  
I'm taking it and calling it mine  
And I'll buy you the sky on the oceanside

When the jig is up we'll saw it into pieces  
That one of these suckers would buy  
We can build on a lie  
On the oceanside

I know that you get sick and tired of waiting  
Believe me it's a matter of time  
Counterfeit is petty crime  
For the oceanside

So hold tight to me

I'll be your plagiarist  
I'm taking it and calling it mine  
I'll be your plagiarist  
Make a dollar of a stolen dime  
And I'll buy you the sky on the oceanside

Some white lies to keep you here by my side  
They'll never know the fix is in  
We'll keep the lawn cut fresh  
They'll forgive us for our little sins  
We could fit right in

I'll be your plagiarist  
I'm taking it and calling it mine  
I'll be your plagiarist  
Make a dollar off a stolen dime  
And I'll buy you the sky on the oceanside

I've been trying to figure out how I could pay for  
The shiny things that sparkle in your eye
