

Wild Love

Dave Hause

Out in the desert
TV dinner with a gun in my hand
10 years in the wilderness
Pants down with my head in the sand
It's cold there in the winter
I bare my teeth so I don't get devoured
I'm fine on my own
I don't need love I need fun for an hour

Wild love, wild love, wild love
It burned my home
Wild love, wild love, wild love
It turned me to stone

I'm from the jungle
Dinner party with a spear in my hand
Can she tame me down
Enough to pass into her promised land
Springtime brought the fever
I'm buying flowers with a shake in my knees
I was fine on my own
Now she's got me dreaming about losing my teeth

Can this wild love, wild love, wild love
Keep me stoned
Wild love, wild love, can wild love
Build me a home

She's from the ocean
Wind in her hair, I'm in the palm of her hand
I can breathe here
I'll spend every penny on the Promised Land
Her summer's never ending
Warm my bones at the foot of her bed
I got tired on my own
I could keep my heart if I stay out of my head

And let wild love, wild love, wild love
Keep me stoned
Wild love, wild love, wild love
Could build me a home
Wild love
Wild love
Wild wild wild wild love

Wild love
Keep me stoned
Wild love, yeah
Build me a home
Bring me home
Wild love
Wild love
