

## With You

Dave Hause

I couldn't stop the ringing in my head  
I couldn't stand not seeing you one more time  
Before we're dead  
I want to turn it on and turn you up again while  
We're still in our prime  
I want the next thirty minutes to feel like a  
Fucking crime

I might need your help to sing these songs  
I've been losing blood and spinning wheels for  
Far too long  
You clap in time, I'll make it rhyme and we'll  
Pretend we're in our prime  
In our prime

Oh, ache with me and I'll ache with you  
I want to do it with you  
Oh, dance with me we'll all be dead soon  
I want to do it with you  
Yeah, I want to do it with you

I need a friend right now who reminds me of my home  
I need a friend right now I'm sick of staring at my phone  
I need a friend right now I know I can do it  
But I don't want to do it alone  
I'm no good here on my own

Oh, ache with me and I'll ache with you  
I want to do it with you  
Oh, dance with me we'll all be dead soon  
I want to do it with you  
Oh, ache with me and I'll ache with you  
I want to do it with you  
Oh, dance with me we'll all be dead soon  
I want to do it with you  
Yeah, I want to do it with you
