Barbershop

Dave Hollister

This chick I been wanted to smash call me back at last
She want to get together, and I told her
In the whip I'm flying up the dam?
I get to her door like knock knock knock
She sexy but grown, slow song is on sexual healing banging bang
ing banging
She fix me a plate and some sexy lingerie and all the while I'm
 thinking
Vickie secrets already moist
Marvin did it with his voice
Song is looping had to give it to her like I didn't have a choi
ce, oh yeah
Now I'm scrambling for my shoes and socks
But I had to stop and give you your props
Cuz I learned it from you and it goes like awl, baby

They passed me the torch
Can I do you proud and hold it down of course, I can, yes I can
Up in the supercuts, getting a fresh shape up my barber was mes
sing around and bugging only
But he didn't know I'm a professional when it comes to playing
the dozens
I told him, I ain't scared of you mother fuckers
Everything I said up in there had them rolling
Just like my homie bernie did
Had me thinking about what he did
Oh, how he used to make us laugh
Had to take them back there were new vocabulary, stinking like
badussy, aue
I'm that baby's pappy, yeah, that was bernie y'all
I don't really know, who had the tightest fro
Either it was him or it was Steve Harvey, true king of comedy

This is my dedication every ghetto radio station
Play it play it play it, please, play it, play it, play it
Wait rush got me spinning, line tight with my fade in
Don't stop, up in the barbershop
Flat screen got the game on, x-box get your game on?
Don't stop, up in the barbershop

Now your son is turning one, it time to take a lil bit off the
top
So she made an appointment for 5 o'clock
But she got there at 6 and the door was locked
This is my dedication every ghetto radio station
Play it, play it, play it, please, play it, play it, play it
Wait rush got me spinning line tight with my fade in
It don't stop, up in the barbershop

Flat screen got the game on, x-box get your game on
Don't stop, up in the barbershop
Chicago and new...
