

Definition of a Woman

Dave Hollister

Oh, tenderness
This is number one on the list
With a kiss have you eaten out her palm
She's sweet and calm
Could calm the storm that's inside of ya
Wouldn't lie to ya
That's the definition of a woman, a woman
She'll make you bleed, she'll bring you to your knees
She can bring you everything you need (Help you succeed)
Take you from a boy and turn you into a man
That's the definition of a woman, a woman

Turn the page, on every page there is a picture of us
If you look under love
By Webster's definition, definitely, baby, that's we
The perfect definition of L.O.V.E

Cocoa Butter soft skin face
Little bit of baby weight all in
Your momma, your sister, your daughter
That's the definition of a, of a woman
She'll make you beg, she'll wrap you in her legs
Whisper in your ear, softly in bed, she's in your head
She clearly runs the world but let's you be the man
That's the definition of a woman, a woman

Turn the page, on every page there is a picture of us
If you look under love
By Webster's definition, definitely, baby, that's we
The perfect definition of L.O.V.E

Index, if you look it up
Right before M, after K in the book of love
I'll be right here, you and me
I'm staring in your eyes
The description says clearly "This is what love looks like"
Glossary, directory points you back to where I'm at
Can't get away from what this is, make no mistake
It's clear as day
Words can not define what I finally found in you
You're the definition of a love so true

Turn the page, on every page there is a picture of us
If you look under love
By Webster's definition, definitely, you and me
The perfect definition of L.O.V.E

It's a picture of us, under love
La-la-la-la-la-la-la-love
