

I'm Waiting

Dave Hollister

You need to make up your mind, you can't stay there forever
Cuz you know what you got over here and you ain't gonna find better
How many time you gonna cry
Before you finally open your eyes and see
That I'm the thought of paradise
But you're the one that holds the key

So I'm waiting
Imma give you a minute
Take a minute
When you're ready come get it
Oh, I'm waiting
When you get to your limit (awe)
I'll be here if you with it
So if you tired of the lonely
When you had enough of it (of him)
Don't trip (don't trip)
So I'm waiting, oh
I got what your missing
Baby, all that I'm saying
I'm waiting

I'm listen when you need somebody to hear
Just tell me all about your day, I'm all ears
I'll be lying if I said I wasn't tried of drying your tears
But I made a promise to you, baby, so I'll be trying until they disappear

So I'm waiting
I'll give you a minute
Will you ready, come get it (come get it)
I'm waiting when you get to your limit
(It's over here) I'll be here if you with it
So when you tired of the lonely and enough of him
Don't trip cuz I'm waiting
I got what you missing, ooh
Baby, all that I'm saying
Cuz I'm waiting

I've already cleared out of space for you
You just let me know what you want to do
Say the word baby and I'll help you move
I'll be outside in the car when you break the news
Just breathe (I got you)
Don't be afraid to leave (I got you)
You better off with me
Everybody know we're just waiting for you to see

So I'm waiting
I'll give you a minute
When you ready come get it
When you get to your limit (to your limit)
I'll be here if you with it
So when you're tired and lonely
And had enough of it (of him)
Don't trip cuz I'm waiting
I got what you missing
Baby, all that I'm saying

Cuz I'm waiting
