

Dear Mr. Fantasy

Dave Mason

Dear Mr. Fantasy play us a tune
Something to make us all happy
Do anything take us out of this gloom
Sing your song, play guitar, make it snappy
You are the one who can makes us all laugh
By doin' that you break down in tears
Please don't be sad if was a straight life you had
We wouldn't have known you all these years

Dear Mr. Fantasy play us a tune
Something to make us all happy
Do anything to take us out of this gloom
Sing your song, play guitar, take a snappy
Come on Mr. Fantasy

Dear Mr. Fantasy play us a tune
Something to make us all happy
Do anything to take us out of this gloom
Sing your song, play guitar, take a snappy
You are the one who can makes us all laugh
By doin' that you break down in tears
Please don't be sad if was a straight life you had
We wouldn't have known you all these years
