Feeling Alright?

Dave Mason

Seems I've got to have a change of scene
'Cause every night I have the strangest dreams
Imprisoned by the way it might have been
Left here on my own or so it seems

I've got to leave before I start to scream
But someone's locked the door and took the key

You're feeling alright
I'm not feeling too good myself
You're feeling alright
I'm not feeling too good myself

Boy, you sure took me for one big ride
But even now I sit and wonder why
Lord, that when I think of you I stop myself from crying, girl
I just can't waist my time, I must keep trying

Got to stop believing in all your lies
'Cause there's to much to do before I die

You're feeling alright
I'm not feeling too good myself
Well, you're feeling alright
Feeling too good myself, alright!

Don't you get too lost in all I say
But you know the time I really felt that way
But that was then and now you know that it's today, girl
I can't get set so I guess I'm here to stay

Till someone comes along and takes my place
With a different name and yes, a different face

You're feeling alright
I'm not feeling too good myself
You're feeling alright
I'm not feeling too good myself
You're feeling alright
I'm not feeling too good myself
Rock on

Feeling alright, yeah!
