

Get It Right

Dave Mason

Word [?] wisdom, sometimes like the truth
When friends have spoke of feelings of what they think of you [?]
People with the answers are absent when you call
They leave with their problems, all alone to fall
(All alone to fall)

Wrong and wrong and wrong ain't right don't let it hold your sleeve
Wrong and wrong and wrong ain't right so get it right for me

Some live off strangling others, yet some will keep their pride
[?]
They're crying when you're happy and others laugh when you die
Some understand their reasons and make way to comply [?]
Some folks just don't give a damn and don't even ask you why
(Why you cry)

Wrong and wrong and wrong ain't right don't let it hold your sleeve
Wrong and wrong and wrong ain't right so get it right, get it right, get it right, get it right for me

Sorry for the people who just don't have a dream
The ones that judge their honesty for those who love to scheme
[?]
The tired and the restless with answers [?]
Glory for the dreamers and the peace they found in time
(Peace they found in time)

Wrong and wrong and wrong ain't right don't let it hold your sleeve
Wrong and wrong and wrong ain't right so get it right for me
Wrong and wrong and wrong ain't right don't let it hold your sleeve
Wrong and wrong and wrong ain't right so get it right, get it right, get it right, get it right for me
Wrong and wrong and wrong ain't right don't let it hold your sleeve
Wrong and wrong and wrong ain't right so get it right for me
Wrong and wrong and wrong ain't right don't let it hold your sleeve
Wrong and wrong and wrong ain't right so get it right, get it right, get it right, get it right for me
