

No Doubt About It

Dave Mason

The place is here and the time is now
I'm gonna get to you somehow
Gonna get to you baby
Give you all the love I've got to give
Only got one short life to live, ooh yeah

Stars like diamonds sparkle in your eyes
One of these days soon you're gonna realize
That you and me were made
You and me till the end of time
Well, I'm yours and I hope you're always mine

You're the one that's been in my dreams
You're the one for me it seems

No doubt about it (I'm in love)
No doubt about it (I'm in love)
No doubt about it (I'm in love)
No doubt about it (I'm in love, again)
And I hope and pray it's never gonna end

I've thought it over and I've come to this conclusion
It's all over, hurry worry and confusion

No doubt about it (I'm in love)
No doubt about it (I'm in love)
No doubt about it (I'm in love)
No doubt about it (I'm in love, again)
And I hope and pray it's never gonna end
It's never gonna end

Before I leave I certainly want to say
Thanks to all my friends that helped me on the way

No doubt about it (I'm in love)
No doubt about it (I'm in love)
No doubt about it (I'm in love)
No doubt about it (I'm in love)
No doubt about it (I'm in love)
No doubt about it (I'm in love)
No doubt about it (I'm in love)
No doubt about it (I'm in love)
No doubt about it (I'm in love)
No doubt about it (I'm in love)
No doubt about it (I'm in love)
No doubt about it (I'm in love)
No doubt about it (I'm in love)
No doubt about it (I'm in love)
No doubt about it (I'm in love)
No doubt about it (I'm in love)
No doubt about it (I'm in love)
