

## Sad and Deep As You

Dave Mason

Lips that are warm could be  
Lips that speak too soon  
Lips that tell a story  
As sad and deep as you

Smile that's warm as summer sun  
Smile that gets you through  
Smile that tells a story  
As sad and deep as you

The eyes that are the windows  
The eyes that are the view  
The eyes that tell a story  
As sad and deep as you

The tears that are unspoken words  
The tears that are the truth  
The tears that tell a story  
As sad and deep as you
