

# Takin' The Time To Find

Dave Mason

I'm taking the time to find  
Some new roads into my mind  
Discoverin' things and giving' them wings  
It's time that this boy learned to fly

How come I lose in love  
Every time I try  
How come I lose in love  
And I just don't know why  
It seems I'm the first and the last to know  
Don't think that it has to be so  
Don't think that it has to be so

Just when I think that I've found  
A reason for settling down  
I still get the call - I'm missing it all  
Those changes are still comin' down

How come I lose in love  
Every time I try  
How come I lose in love  
And I just don't know why  
It seems I'm the first and the last to know  
Don't think that it has to be so  
Don't think that it has to be so  
Takin' the time to find (take it)  
I'm takin' the time to find (take it)  
Takin' the time to find (take it)  
I'm takin' the time to find (take it)

I'm taking the time to find  
Some new roads into my mind  
Discoverin' things and giving' them wings  
It's time that this boy learned to fly  
How come I lose in love  
Every time I try  
How come I lose in love  
And I just don't know why  
It seems I'm the first and the last to know  
Don't think that it has to be so  
Don't think that it has to be so

Takin' the time to find (take it)  
I'm takin' the time to find (take it)  
Takin' the time to find (take it)  
I'm takin' the time to find (take it)
