

# Grace Is Gone

Dave Matthews Band

- D** **C**  
1. Neon shines through smoky eyes tonight
- D** **C** **D** **C D C D**  
It's 2 am - I'm drunk again it's heavy on my mind  
I could never love again so much as I love you  
Where you end where I begin is like a river going through  
Take my eyes take my heart I need them no more  
If never again they fall upon the one I so adore
- G** **D**  
R: Excuse me please one more drink
- Hmi** **A**  
Could make it strong cause I don't need to think
- G** **D**  
She broke my heart my Grace is gone
- A** **D**  
One more drink and I'll move on
2. One drink to remember then another to forget  
How could I ever dream to find sweet love like you again  
One drink to remember and another to forget
- R: Excuse me please one more drink  
Could make it strong cause I don't need to think  
She broke my heart my Grace is gone  
One more drink and I'll move on  
One more drink and I'll be gone
3. You think of things impossible and the sun refuse to shine  
I woke with you beside me your cold hand lay in mine
- R: Excuse me please one more drink  
Could make it strong cause I don't need to think  
She broke my heart my Grace is gone  
One more drink and I'll go
- R: Excuse me please one more drink  
Could make it strong cause I don't need to think  
She broke my heart my Grace is gone  
One more drink and I'll move on  
One more drink and I'll be gone  
One more drink my Grace is gone
