Dave Matthews Band

Isn't it strange  
How we move our lives for another day  
Like skipping a beat  
What if a great wave should wash us all away  
Just thinking out loud

Don't mean to dwell on this dying thing  
But looking at my blood  
It's alive right now  
Deep and sweet within  
Pouring through our veins

Intoxicate moving wine to tears  
Drinking it deep  
Then an evening spent dancing  
It's you and me

This love will open our world  
From the dark side we can see a glow of something bright  
There's much more than we see here  
Don't burn the day away,  
Don't burn the day  
Don't burn the day

Is this not enough  
This blessed sip of life  
Is it not enough  
Staring down at the ground  
Oh then complain and pray more from above  
Greedy little pig  
Stop just watch your world trickle away  
Oh it's your problem now  
It'll all be dead and gone in a few short years

Just love will open our eyes  
Just love will put the hope back in our minds  
Much more than we could ever know, oh so  
Don't burn the day, away  
Don't burn the day, away

Come sister my brother  
Shake up your bones shake up your feet  
I'm saying open up  
And let the rain come pouring in  
Wash out this tired notion  
That the best is yet to come  
But while you're dancing on the ground  
Don't think of when you're gone  
Love love love what more is there  
Cuz we need the light of love in here  
Don't beat your head  
Dry your eyes  
Let the love in there  
There are bad times  
But that's ok  
Just look for love in it  
And don't burn the day, away

Look  
Here are we  
On this starry night staring into space  
And I must say  
I feel as small as dust  
Lying down here

What point could there be troubling  
Head down wondering what will become of me  
Why concern what we cannot see  
But no reason to abandon it  
The time is short, time that's all right  
Maybe I'll go out in the middle of the night  
Take your hands from your eyes, my love  
All good things must come to an end some time  
Don't burn the day, away  
Don't burn the day, away

Come sister my brother  
Shake up your bones shake up your feet  
I'm saying open up  
And let the rain come flooding in  
Wash out this tired notion  
That the best is yet to come  
But while you're dancing on the ground  
Don't think of when you're gone  
Love love love what more is there  
Cuz we need the light of love in here  
Don't beat your head  
Dry your eyes  
Let the love in there  
There are bad times  
Well that's ok  
Just look for love in here  
Just let the love in there
