## Seek Up

## **Dave Matthews Band**

Sometimes I feel like I'm falling Fall back again, fall back again, Fall back again, fall back again

Oh, life it seems a struggle between what we see and what we do
Well I'm not going to change my ways
just to please you or appease you
Inside a crowd, five billion proud
willing to punch it out
Right, wrong, weak, strong
ashes to ashes all fall down
Look around about this round about
this merry-go-round and around
Well If at all God's gaze upon us falls
it's with a mischievous grin, look at him

Forget about the reasons and the treasons we are seeking Forget about the notion that our emotions can be swept away Forget about being guilty we are innocent instead For soon we will all find our lives swept away

Late at night with TV's hungry child his belly swells
Well, for the price of a coke or a smoke I could keep alive those hungry eyes
Man, take a look again, take a look again
Eveyday things change
Basically they stay the same

Forget about the reasons and the treasons we are seeking Forget about the notion that our emotions can be kept at bay Forget about being guilty we are innocent instead For soon we will all find our lives swept away

You seek up an emotion and your cup is overflowing You seek up on emotion, sometimes your well is dry You seek up a big monster for him to fight your wars for you But when he finds his way to you, the devil's not going, "Ha ha, ha ha"

(Say, oh say)

Oh look at me in my fancy car and my bank account Oh, how I wish I could take it all down into my grave, God knows I'd save and save Man, take a look again, take a look again things you have collected, well in the end piles up to one big nothing, one big nothing at all

Forget about the reasons and the treasons we are seeking
Forget about the notion that our emotions can be swept away
Intentions are not wicked, don't be tricked into thinking so And soon we will all find our lives swept away

You seek up an emotion and your cup is overflowing You seek up an emotion, sometimes your well is dry You seek up a big monster for him to fight your wars for you But when he finds his way to you, the devil's not going, "Ha ha, ha ha"

Fall back again, fall back again Fall back again, fall back again
