

Sister

Dave Matthews Band

G **Fmaj7**
1. Passing time with you in mind
C
It's another quiet night
D
Feel the ground against my back
G
Counting stars against the black

2. Think about another day
Wishing I was far away
Wherever I dreamed I was
You were there with me

C **D**
R: Sister, I hear you laugh
G
My heart fills full up
Emi F#mi
Keep me please
C **D**
Sister, when you cry
G
I feel your tears
Emi F#mi
Running down my face
C **D**
Sister, sister, keep me

3. I hope you always know it's true
I would never make it through
You could make the sun go DARK
Just by walking away

4. Playing like we used to play
Like it would never go away
I feel you beating in my chest
I'd be dead without

R: Sister, I hear you laugh...

5. I hope you always know it's true
I would never make it through
You could make the heavens fall
Just by walking away

R: Sister, I hear you laugh...
