I grew from monkey into man

Dave Matthews Band

then I crushed fifteen million with a wave of my hand I grew drunk on water turned into wine Till I was slave and master at the same damn time It's why I am why I am why I am Still here dancing with the GrooGrux King Out of my head and into the womb. Hello A king of men it makes no sense When I bow to the priest while I worship the witch But it's why I am always the one to make you smile Why I am still snake in the woodpile It's Why I am still here dancing with the GrooGrux King Out of my head and into the womb So will my ghost takes me from you You can remember the fool that I am Dont cry baby don't cry The lose and the win of the world Wrong and right, us and them of the world It's the you and the me of the world Only one way out of the world Its the lose and the win of the world Wrong and right, us and them of the world It's the you and the me of the world Only one way out of the world [Tim Reynolds solo] Its why I am unlikely to agree Why I am climbin out of my monkey tree Why I am still here dancin with the GrooGrux King we'll be drinkin Big Whiskey while we dance and sing and when my story ends its gonna end with him Heaven or Hell I'm goin there with the GrooGrux King Its Why I am the apple of your pretty eye Why I am a snake in the woodpile Why I am still here dancin with the GrooGrux King out of my head an into the womb so will my ghost takes me from you you can remember the fool that I am Sponzor: www.srovnavac.cz - vyberte si pojištění online!
