

Be Mine

Dave Melillo

Dedicate my favorite song
To any girl who comes along
Pretty soon I'm moving on
I can't let them stay too long
Then our worlds collided
It was way too strong to hide it
It only took one look, now I'm shook
I do with my back broke

Since she picked my love
I never let her down
I don't lie, I don't cheat
And I'll always be around
Since she picked my love
We never felt the same
We share heart, share a life
Share the same brain

A touch out the hit, man I dip, you dip, we dip
Put your head on my shoulder, you'll never get older
You're the apple of my I,
Leaving everyone behind
We can take our time
Cause baby you'll forever be mine
Forever be mine, forever be mine
Baby you'll forever be mine
Forever be mine, forever be mine
Baby you'll forever be mine

So many girls in here, whispers creeping in my ear
They tell me what I wanna hear
And I wish they would disappear
I alone is what you selling
And I swear I won't be telling
What we do when the lights go out
You have my word and it ain't no doubt

Since she picked my love
I never let her down
I don't lie, I don't cheat
And I'll always be around
Since she picked my love
We never felt the same
We share heart, share a life
Share the same brain

A touch out the hit, man I dip, you dip, we dip
Put your head on my shoulder, you'll never get older
You're the apple of my I,
Leaving everyone behind
We can take our time
Cause baby you'll forever be mine
Forever be mine, forever be mine
Baby you'll forever be mine
Forever be mine, forever be mine
Baby you'll forever be mine

This ain't no game I'm playing
Listen to what I'm saying
All I want is you
Known to be ♫ so no one can harm you
All I want is you

A touch out the hit, man I dip, you dip, we dip
Put your head on my shoulder, you'll never get older
You're the apple of my I,
Leaving everyone behind
We can take our time
Cause baby you'll forever be mine
Forever be mine, forever be mine
Baby you'll forever be mine
Forever be mine, forever be mine
Baby you'll forever be mine.
