

Nothing Is Sacred

Davey Suicide

When killing them with kindness doesn't work
Use a fucking machete

When best friends turn enemies
Love becomes misery
Husbands have second wives
Nothing is sacred

Scriptures corrupt by priests
Teachers aren't what they preach
Dollars aren't backed by gold
Nothing is sacred.

Now all the innocence is gone
The writing's on the wall
All we know is crashing down
We will search for something more
We fight to save the pure
Nothing is Sacred

President's twist their words
Bullies controlling schools
Marriage divorcing soon
Nothing is sacred

Trust is a flimsy word
Troops are disposable
War is a business plan
Nothing sacred

Now all the innocence is gone
The writing's on the wall
All we know is crashing down
We will search for something more
We fight to save the pure
Nothing is Sacred

Ladies and Gentleman,
I am here to inform you that all you've ever known is a fuckin lie
Television is one big commercial trying to turn us into sheep
By taking away the power of free thinking in an attempt to control us
The only real government we need is anarchy

Now all the innocence is gone
The writing's on the wall
All we know is crashing down
We will search for something more
We fight to save the pure
Nothing is Sacred
