

Underdosed

Davey Suicide

I want more more more!
I want more more more!
I want more more more!
I want more more more!

I want more more more!
But it's never enough!

I want more more more
Cuz I'm losing control!

I need a little, cuz these walls,
Cuz these walls are closing in, oh yeah
I need a little, cuz this face,
Cuz this face don't look the same, oh no

Inject me
I'm Underdosed

I want more more more!
But it's never enough!

I want more more more
Cuz I'm losing control!

I need a little, cuz this blood,
Cuz this blood is running cold, oh yeah
I need a little cuz this world,
Cuz this world won't turn on its own, oh no

Inject me
I'm Underdosed
Inject me
I'm Underdosed

If you're feeling alive
Lemme hear you say "hey, hey, hey!"
If you're feeling alive
Lemme hear you say "hey, hey, hey!"

Right here, right now
I know you want it
Right here, right now
I know you need it

Right here, right now
I gotta have it
Right here, right now

Inject me
I'm Underdosed
Inject me
I'm Underdosed
