You're crying again when I told you not to
Please listen, bursting tears
Weak heart, scarred heart
I really don't want to cry
But you're crying again when I told you not to

Please don't cry in front of him
You keep crying whenever he says something
When you couldn't even say anything
When he broke up with you
When you couldn't even
Tell him you love him
Stop, stop crying

Go, please go, don't come
Listen to me, you bad break up
I have so much I want to say
I still love him
Go, please go, but leave him

Please don't cry in front of him
You keep crying whenever he says something
When you couldn't even say anything
When he broke up with you
When you couldn't even
Tell him you love him
Stop, stop crying

Love is hiding behind the tears
So he can't see me,
So please stop

Please stop crying in front of him

Please stop crying and hold onto him
Don't let the goodbye take him away

Take the words trapped
Inside out of you
Tell him you love him, if it's not now,
It'll be too late
Please stop, tears
