It's been such a long time  
Have you been well?  
Is it the same you, who had made my heart race before?  
Even after time passed,  
Your warm voice hasn't changed at all

I think I know too, that I'm not the one for you  
But still, I wanted to love  
There was so much I wanted to say  
And I finally saw you  
But I can't say anything and I'm just looking at you

I told you that I love you  
I told you to please look at me  
Because it might be the last chance  
I told you that I missed you like crazy  
I cried without saying anything, I only shed tears

You didn't know  
That I hated  
The girl that you loved

The day I stood in front of your house  
The night I saw the two of you  
I remember how I turned around and ran as I cried

I told you that I love you  
I told you to please look at me  
Because it might be the last chance  
I told you that I missed you like crazy  
I cried without saying anything, I only shed tears

The days I longed for you, the nights I longed for you  
Again today, I wait for you

You told me that you are sorry  
I ended up shedding a bucket of tears  
Because I couldn't forget you

I told you that it's okay even if I just look at you  
I endlessly shouted that I loved you
