When the wind blows, it should be hard
 But why are you acting like you're fine?
 Who cares if you shake?
 You held out your branch-like hands
 But tried to grip hard
 In case your leaves get taken away
 The rain, even the sharp sunlight
 I avoided under your thick love
 You strongly stood straight
 Always protecting me, I'm sorry
 I'm alright now
 So please shake, you can shake
 Just give the heavy leaves to the wind
 When the rain falls, we get get rained on together
 When things are hard because of me
 Don't smile as if you are getting strength from me
 It's alright if you are haggard
 I'm not next to you because I want something
 The rain, even the sharp sunlight
 I avoided under your thick love
 I'm really alright
 I just need your feelings to be forever
 I'm alright now
 So please shake, you can shake
 Just give the heavy leaves to the wind
 When the rain falls, we get get rained on together
 Just let go of the heavy leaves
 Just let go of the heavy burden
 It was hard, wasn't it?
 It is hard, now lean on me
 Now learn how to receive
 I'm alright now
 So please shake, you can shake
 Just give the heavy leaves to the wind
 When the rain falls, we get get rained on together
