On a rainy day, sitting on the window sill
I tried to slow down my rushed schedule
My heart grew sad and I was writing it out
When tears started to come

I'm still not used to breaking up
So I'm barely getting through each day
When someone asks me about you
Tears start to come

When it gets dark, I wander through the night sky
I forget that I'm alone for a moment
I toss and turn all night on days I can't sleep because I'm thinking about y
ou
Only tears come

If you're seeing someone else
I hope you'll understand more than I do
Memories of our passionate love
I hope you'll erase them all
As if we've never met before
Oh You

As if we never happened

When it gets dark, I wander through the night sky
I forget that I'm alone for a moment
I toss and turn all night on days I can't sleep because I'm thinking about y
ou
Only tears come

If you're seeing someone else
I hope you'll understand more than I do
Memories of our passionate love
I hope you'll erase them all
As if we've never met before

All of those words that were said
Are no more

As if we never happened

If you're seeing someone else
I hope you'll understand more than I do
Memories of our passionate love
I hope you'll erase them all
As if we've never met before
Oh You

As if we never happened
