Dear turtle, you won't go far at that speed
On top of that, the road is far and dangerous
Go after your scars have closed and healed
I'm serious, then I will let you go

Don't hide, don't steal my heart
Lies - your slow, slow steps
Words that are deep inside my heart
Come to me

With no place to place its heart, no place to go
It's a sad turtle
Because you have a lot of scars, because you're alone-
Is that why you're hiding alone every day?
I can't protect you anymore or love you anymore
It's my heartaching story

It's okay if it's a little late
Just take step by step, slowly

It will be okay if only a day passes
That's what I tell myself as if I'm memorizing a charm
Dear turtle, I see myself when I see you
Tears come and flow like crazy

A new leaf will bud, flowers will blossom
The love of my tears will produce a seed
Words that are deep inside my heart
Come to me

With no place to place its heart, no place to go
It's a sad turtle
Because you have a lot of scars, because you're alone-
Is that why you're hiding alone every day?
I can't protect you anymore or love you anymore
It's my heartaching story
It's okay if it's a little late
Just take step by step, slowly

I will match my steps with yours, which is slower
So that you won't have to cry by yourself anymore
You're always be my
Always be my love

With no place to place its heart, no place to go
It's a sad turtle (Please don't leave me)
Because you have a lot of scars, because you're alone-
Is that why you're hiding alone every day?
I can't protect you anymore or love you anymore
It's my heartaching story
It's okay if it's a little late
Just take step by step, slowly
