You might call it crazy, my love right now
Those who are listening will curse at me
Saying that love is only
With one other person

But I can't easily love one person,
Don't understand
I love two people like crazy,
With all my heart
I don't even know my own heart

My two loves are deeper than one love
I can't let go of either
One of the two loves
I shouldn't do this
But I have no one to talk to about this
I love two people with my life
Though I know I can't love two people,
Though I know so well
I can't let go of either
One of the two

I understand
When you first saw him,
He was just someone who passed by
The second time,
Your feelings kept growing like a balloon
Then all of a sudden, without knowing
The two very different loves
Started to live in your heart
You're in between the familiar and the new
It must've been hard since
You don't want to hurt either of them
It's alright, do as your heart tells you
If those feelings are true,
You can be a little more selfish

My two loves are deeper than one love
I can't let go of either
One of the two loves
I shouldn't do this
But I have no one to talk to about this
I love two people with my life
Though I know I can't love two people,
Though I know so well
I can't let go of either
One of the two

You might hate yourself
And not understand
But this can happen sometimes
You don't want to be bad
But you say there's no way
To not hurt them
You might feel ambiguous,
Bad, confused and awkward
But just give it a rest
It's alright, do as your heart tells you
If those feelings are true,
You can be a little more selfish

These two people love me so much
So I can't hurt either of the two
I shouldn't do this
But I have no one
To talk to about this

I'm in love
That's not like love
What do I do about this?
My love is deeper than any other
Who can understand me?
