A Sad Country Song

David Allan Coe

If you're feeling lonely
And think you're the only one left
That's alone in a bar
If you need somebody
With shoulders to cry on
Well baby, I'm not very far

Just look for my name on a jukebox
When you're tired and feelin' alone
Put in a dime and I'll take the time
To sing you a sad country song

If you started drinking
Still can't stop thinking
About all those long nights alone
If tear drops start falling
And you keep on calling
To find out there's nobody home

Just look for my name on a jukebox
When you're tired and feelin' alone
Put in a dime and I'll take the time
To sing you a sad country song

I'll sing you a sad country song
